Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Monday 01 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry with clear skies overnight. Cold.

This Evening and Tonight:
Mostly dry overnight, with clear skies and winds easing. Cloudier across the far southeast, with isolated showers possible, especially along the south coast. A cold night, with some fog patches possible by dawn, along with localised frost in rural spots. Minimum temperature 1 deg C (34 deg F).

Tuesday:
Any early fog patches clearing, with sunny periods following for most. Most parts staying dry, although the odd shower cannot be completely ruled out. Light winds, but feeling rather cool. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
Bright or sunny spells for most, but also isolated showers Wednesday and Thursday, mainly Kent. Cold especially in brisk winds. Likely drier but cloudy Friday, with winds easing.
